Project Description	The Work of this Contract is located in the Town of Natick, MA, on Hartford Street from the intersection on Speen Street to the Natick-Framingham town line. The work includes cleaning and TV-ing of approximately 6,600 linear feet of 16-inch ductile iron water main with the potential to line portions upon Owner approval, cleaning and lining 1,000 linear feet of 8-inch cast iron water main along with miscellaneous piping work to replace side street connections, butterfly vales, hydrants and water services from the existing 6-inch and 10-inch water mains to the 16-inch water main and all appurtenances.
Special Requirements	The Contractor shall supply all labor, materials and equipment necessary to complete the work shown on the Contract Drawings and hereinafter contained in the Specifications.
